Weightage CO3: 16					Weightage CO4: 16					Weightage CO5: 16							

Note: Answer all the sections.**Section-A****A. Attempt all the parts.****(7 X 2 =14)**

1. Define the role of intonation in speech.
2. Explain 'code' and 'content' in brief.
3. Differentiate between a seminar and a conference.
4. Discuss the concept of professional networking.
5. Explain RFP and IFB in the technical proposal.
6. Differentiate tact and intelligence in brief.
7. Define podcast in brief.

Section-B**B. Attempt Any three. (Q. No. 12 is Compulsory)****(3X 7=21)**

8. Communication often fails not because of lack of intent, but due to unseen barriers. Identify the key barriers to communication and propose strategies to overcome them with suitable examples.
9. What are the 7 C's of Communication? Explain their role in ensuring effective communication in professional and organisational contexts.
10. Prepare a compelling SOP for M.Tech (CSE) admission at the University of Oxford, explaining how your past academic experiences, projects, and future aspirations align with the program.
11. Analyse the importance of Group Discussion as a screening tool in placement processes. What key competencies does it assess in candidates?
12. Explain the structure and components of a thesis and project report. Highlight their differences.

Section-C

C. Attempt all the parts.

(5 X 7 = 35)

13. Attempt any one.

- a) Why are passion, poise, and illustration important in speech delivery? Illustrate your answer with suitable examples.
- b) Explain the structure of a technical proposal and describe how each section helps in presenting a solution to a problem effectively.

14. Attempt any one.

- a) Analyse the concept of leadership communication and evaluate its essential characteristics in shaping effective professional relationships.
- b) Discuss communication and social competence with reference to context, emotions, intentions, and behaviours. How do these factors contribute to successful interpersonal communication?

15. Attempt any one.

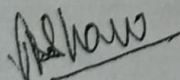

- a) Explain the concept of thinking skills and describe their types with suitable examples from real-life situations.
- b) Analyse the concept of emotional intelligence and evaluate how it contributes to building trust in communication.

16. Attempt any one.

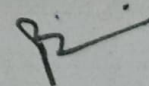

- a) Explain the principles of effective and ethical social media communication. How can text and technique be used responsibly to engage audiences?
- b) Describe the big five personality traits and evaluate how they influence individual behaviour and interpersonal relationships.

17. Attempt any one.

- a) Evaluate the personality theories of Abraham Maslow and Sigmund Freud with suitable examples.
- b) Discuss Vivekananda's concept of personality and its importance in personal development.
